### CIRCULAR

#### IMPORT, EXPORT AND IN-TRANSIT OF IMDG CODE CLASS-7 (RADIOACTIVE MATERIAL)

The port has been receiving requests from customers for clearance of cargo containing radioactive material, Dangerous Goods, IMDG Class-7. After due examination, the port has permitted handling of above cargo with effect from August 1998.

The following documents, certificates, etc., should be submitted by the importer/authorized clearing agent to the Marine Department for examination and approval well in advance:-

#### A. IMPORT OF RADIOACTIVE MATERIAL

1. Valid regulatory consent/no objection certificate issued by the Atomic Energy Regulatory Board (AERB), Niyamak Bhavan, Anushaktinagar, Mumbai-400 094, for the import of radioactive material.
2. Signed declaration on the arrival particulars of the cargo in the prescribed format, by the authorized consignee/importer, endorsed by AERB, Mumbai.
3. Certificate from importer in India stating their consent for receiving the radioactive material consignment.
4. Transport information for the radioactive material cargo from the importer/shipper.

#### B. EXPORT OF RADIOACTIVE MATERIAL

1. Valid regulatory consent/no objection certificate issued by the Atomic Energy Regulatory Board (AERB), Mumbai for the export of radioactive material.
2. Valid certificate of approval of package design/special form for radioactive material, issued by the Atomic Energy Regulatory Board

(AERB) or the competent authority of country of origin of the package design, wherever applicable, as per IMDG Code Class-7.

3. Certificate from importer abroad stating their consent for receiving the radioactive material cargo.
4. Shippers/consignors declaration as required by IMDG Code Class-7.

**C. RADIOACTIVE CARGO : IN-TRANSIT**

1. In case of ships, in-transit, carrying radioactive cargo, signed declaration in the prescribed format endorsed by RSD, AERB should be submitted by the consignor/shipper.
2. Transport information for the radioactive material cargo from the consignor.

**D. GENERAL INSTRUCTIONS**

1. The radioactive cargo should be discharged immediately and cleared on direct delivery basis. However, in case of unavoidable circumstances, the export or import container should be stored in the container yard at the designated and isolated place for a short time with due permission from the port.
2. The Fire & Safety Section, Container Terminal and the Inspectorate of Dock Safety, JNPT should be informed, well in advance by the ship's agent of the movement of the container.
3. This circular is in supercession of earlier circular No.JNP/DC/Marine/Class 7/98/2189 dated 10.09.1998.
