JNPA was honoured to host a UK Parliamentary Delegation, further strengthening dialogue and cooperation in the maritime sector. The delegation was warmly welcomed by our Chairperson, Shri Gaurav Dayal, IAS, along with Dy. Chairperson Shri Ravish Kumar Singh, IRTS, and JNPA HoDs.

Constructive discussions were held on a range of strategic themes, including the development of Vadhwan Port, digital transformation initiatives at JNPA, sustainability and green port practices, multimodal connectivity, and the broader contours of the India-UK trade partnership. As part of the visit, the delegation toured key facilities, including the Centralised Parking Plaza and JNPA SEZ, followed by a comprehensive port tour.

The visit was intended to foster a more comprehensive understanding of India's trade ecosystem and its institutional readiness in the context of the proposed UK-India Free Trade Agreement (FTA).

jnpaport Under the guidance of the Union Cabinet of India, JNPA organised a meeting to reaffirm its commitment to the Seva Sankalp Resolution - a pledge to strengthen service excellence, transparency, and citizen-centric governance.

The discussion was led by our Dy. Chairperson, Shri Ravish Kumar Singh, IRTS, along with HoD's and senior officials, focusing on effective implementation, institutional accountability, and the way forward.

The Seva Sankalp Resolution reflects JNPA's dedication to enhancing operational efficiency, promoting ethical governance, and delivering world-class port services aligned with national priorities. As India's largest container port, JNPA remains committed to driving sustainable growth, strengthening stakeholder trust, and contributing to the nation's maritime excellence.

JNPA DELEGATION VISIT

jnpaport JNPA was honoured to host Véronique Laporte, Hon'ble Minister of Transport, Ports and Civil Aviation of Seychelles, along with her esteemed delegation.

During the visit, the Hon'ble Minister shared her views, noting that the experience provided valuable first-hand exposure to port operations and deeper insights into the scale and strategic significance of the upcoming Vadhvan Port Project.

This engagement marks yet another milestone in strengthening global maritime collaboration and partnerships.

March 5

jnpaport JNPA continues its strong growth momentum, achieving 74,26,214 TEUs of container throughput and 92.85 MMT of overall cargo from April 2025 to February 2026. During the week, JNPA also held a benchmarking meeting with PSA Mumbai on "One Nation, One Port Process," focusing on streamlining port operations and improving efficiency.

In line with the vision of the Union Cabinet of India, JNPA reaffirmed its commitment to the Seva Sankalp Resolution, strengthening the spirit of service and accountability.

The week also saw students from Vivekanand College, Chembur and SMDL College, Kalamboli visiting the port to gain insights into port operations and maritime logistics. Through such engagements, JNPA continues to connect industry with young minds while strengthening India's maritime future.

jnport On the 57th CISF Raising Day, JNPA extends its deepest gratitude to the Central Industrial Security Force. As India's premier container port, our security is the foundation of our efficiency.

From 24/7 waterfront patrolling to sophisticated cargo screening and access control, the CISF acts as the "Shield of the Nation," ensuring that the wheels of global trade turn without interruption. We take pride in our partnership with this elite force that keeps our docks safe and our dreams secure. 🇮🇳

jnpaport JNPA successfully conducted a 15-day Induction Training Program for the second batch of newly recruited officers from Major Ports. The program provided comprehensive exposure to port operations, administrative processes, and sustainability-driven initiatives, complemented by field visits to the Centralized Parking Plaza and JNPA SEZ—ensuring practical, on-ground learning.

Ms. Arishmita Mukherjee, Assistant Personnel Officer, Chennai Port Authority, shared her experience of attending the program, highlighting how it enriched her understanding across diverse areas—from dredging and port operations to key administrative functions.

At JNPA, we remain committed to shaping the future of the maritime sector by nurturing talent, enabling knowledge exchange, and creating meaningful learning experiences that empower the next generation of port leaders.

jnpaport JNPA is advancing towards the future with Digital Twin Technology.

Aimed at optimizing sea-side and land-side operations, this initiative will enable smarter planning for environmental management, safety, and hinterland connectivity—driving efficiency across the port ecosystem.

By bringing together key stakeholders—shipping lines, terminal operators, customs, transporters, and CFS—JNPA is building a synchronized, data-driven framework for seamless and intelligent port operations.

In line with this vision, JNPA has floated a tender on GeM for Implementaion of Digital Twin at JNPA.

GeM Bid No.: GEM/2026/B/7297343
 Bid End Date: 17.04.2026
 Can be accessed through
<https://bidplus.gem.gov.in/all-bids>

A smarter port. A stronger trade future.
