Today, JNPA proudly welcomed Green Asha—an India-flagged LPG vessel that has successfully crossed the Strait of Hormuz, and has moored at JNPA's liquid berth operated by BPCL-IOCL. This is a significant milestone as it is the first such vessel to reach JNPA since the onset of the war between Iran, the USA, and Israel.

The vessel carried 15,400 tonnes of LPG. The vessel, its cargo, and every member of the crew are all safe and secure. This arrival highlights the ability of maritime operations to function amid complex geopolitical conditions while ensuring the steady supply of essential LPG to the nation.

JNPA was pleased to host Women Officers from the Ministry of Ports, Shipping and Waterways for a study visit to familiarise them with port operations and key initiatives.

The delegation was welcomed by Smt. Manisha Jadhav, GM (Admin.) & Secretary, JNPA, and given a briefing on JNPA's achievements, operations, sustainability efforts, and the upcoming Vadhvan Port project, followed by an engaging discussion. The officers toured JNPort, DP World Terminal, JNPA SEZ, and the Centralized Parking Plaza (CPP), gaining first-hand insights into port and logistics operations.

JNPA had the privilege of hosting Austrian Federal Minister of Economy, Energy and Tourism, H.E. Mr. [Wolfgang Hattmannsdorfer](#), and his delegation for an insightful visit to the port.

The delegation was warmly received by Shri Girish Thomas, Chief General Manager (Traffic). During an engaging presentation supported by JNPA and Vadhvan films, detailed discussions were held on the evolving global maritime industry, JNPA's key operations, digitalisation initiatives, and sustainability practices. The interaction also highlighted JNPA's strong global connectivity and its strategic vision to further strengthen international maritime linkages, while exploring opportunities for future collaboration in the maritime sector.

The delegation was further provided with a guided Port Visit where they experienced port operations firsthand. The visit facilitated a meaningful exchange of ideas on port technologies and operational excellence, followed by an on-ground tour offering a closer look at JNPA's operations.

jnpaport JNPA is embracing Digital Twin Technology to power a greener tomorrow. By enabling smarter energy use, optimizing resource planning, and strengthening environmental monitoring, JNPA is moving towards more sustainable and responsible port operations.

With data-driven insights at its core, Digital Twin supports JNPA's vision of reducing environmental impact while enhancing efficiency—building a future where growth and sustainability go hand in hand.

Sustainable today. Smarter tomorrow.

JNPA has floated a tender on GeM for Hiring of Agency for IT Projects on a milestone basis.

GeM Bid No.: GEM/2026/B/7297343
 Bid End Date: 17.04.2026

jnpaport JNPA is leveraging Digital Twin Technology to bring intelligence into every layer of port operations. Through advanced simulations and real-time insights, berth planning is becoming more precise, vessel handling more efficient, and cargo movement more streamlined across the port ecosystem.

This data-driven approach enables better coordination between terminals, shipping lines, and logistics partners—enhancing operational flow, improving turnaround efficiency, and strengthening overall port performance.

With Digital Twin, JNPA is transforming operations into a smarter, more responsive system—built for efficiency, reliability, and future-ready growth.

jnpaport A dynamic week at Jawaharlal Nehru Port Authority (JNPA), marked by meaningful engagements, strategic collaborations, and forward-looking initiatives.

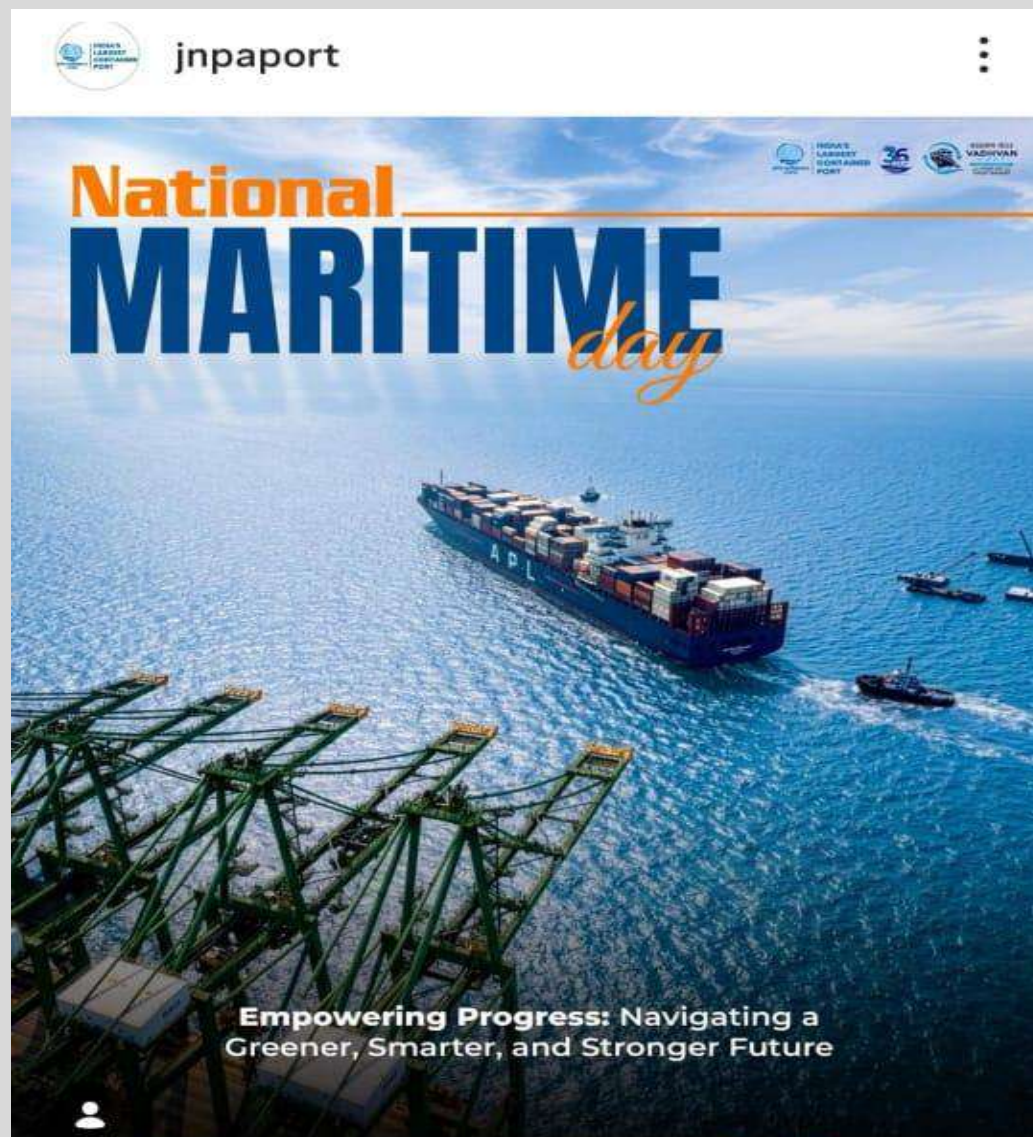

JNPA recorded highest-ever monthly container throughput of 7,47,060 TEUs in March 2026, marking impressive growth of 11.94%. We also had the honour of hosting Shri Gurmeet Singh Khuddian, Hon'ble Agriculture Minister of Punjab, along with K A P Sinha, strengthening inter-state dialogue and cooperation.

The Digital Twin Campaign continued to highlight JNPA's commitment to innovation and smart port transformation.

The week also witnessed a series of insightful port visits, fostering industry-academia connect and stakeholder engagement, with delegations from B2B, BP Marine, Engineering Institute for Technology, MIT World Peace University, and Industrial Training Institute.

These interactions reflect JNPA's continuous efforts towards knowledge exchange, capacity building, and strengthening India's maritime ecosystem.

jnpaport At JNPA, innovation is shaping the future of port operations through the adoption of Digital Twin Technology—where the physical and virtual worlds come together to create a smarter, more responsive ecosystem.

By mirroring real-time operations into a dynamic digital environment, Digital Twin enables deeper insights, enhanced planning, and informed decision-making across every aspect of the port. From improving operational efficiency to strengthening sustainability and connectivity, this technology is redefining how modern ports perform and evolve.

jnpaport Jawaharlal Nehru Port Authority was honoured to welcome the US-India Strategic Partnership Forum (USISPF) delegation, representing some of the world's leading companies, for a landmark engagement focused on bilateral trade, maritime collaboration, and global connectivity.

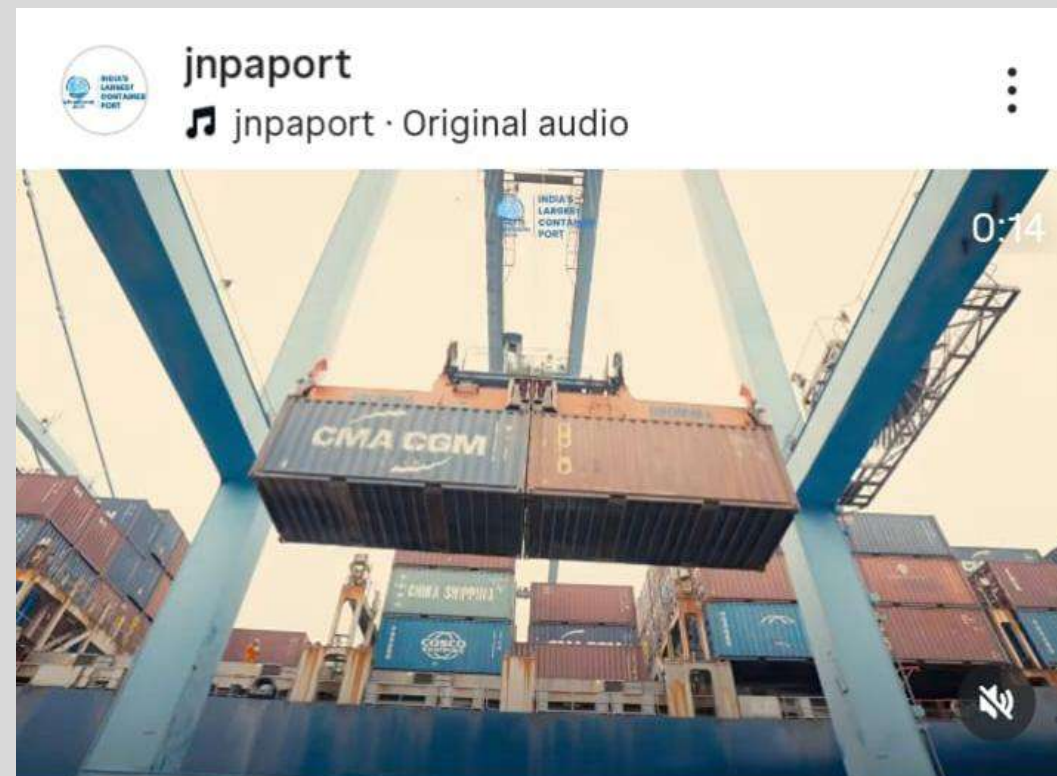

Our Chairperson, Shri Gaurav Dayal, IAS and CMD, VPPL along with JNPA's HODs and senior officials, welcomed the delegation. They were further presented with insightful session covering our world-class port operations, sustainable initiatives, state of art infrastucture of JNPA and a brief of upcoming mega port — Vadhvan Port

The delegation also had the opportunity to visit the Centralized Parking Plaza (CPP) gaining valuable firsthand exposure to India's integrated logistics and supply chain operations at scale. These visits offered a comprehensive understanding of the seamless infrastructure and operational excellence that positions JNPA as a premier trade hub.

Such interactions reaffirm JNPA's commitment to building strong global partnerships and driving India's growth as a preferred maritime and trade destination.

INDIA NEW ZEALAND FTA

EXPANDING MARKETS AND OPPORTUNITIES

Zero duty on 100% of goods exports
upon entry into force

Fast track mechanism
for inputs for our exports under our Foreign trade Policy

Tariff elimination across all tariff lines

Farmers, MSMEs, youth, workers, artisans, women
key beneficiaries of India's growing export competitiveness

9 3

jnpaport The India-New Zealand FTA ensures 100% duty-free access across all tariff lines, eliminating earlier tariffs of up to 10% on textiles, leather, carpets, ceramics, and auto components, boosting competitiveness, cutting costs, and unlocking new markets.

jnpaport

INDIA NEW ZEALAND FTA

TEXTILES AND CLOTHING

Zero duty market access across all tariff lines

BIG GAINS FOR EXPORTS

- Ready-made garments, knitwear, and fashion apparel
- Bed linen, towels, carpets, and upholstery
- Man-Made Fibre and Technical Textiles
- Traditional textiles and artisanal products
- Peak duty of 10% becomes zero

Strengthening India's position in global value chain

 13

jnpaport A future-ready partnership takes shape with the India–New Zealand FTA, delivering 100% duty-free access for Indian exporters while safeguarding sensitive sectors.

With a transparent framework boosting services, mobility, investment, and farm productivity, it strengthens resilience and drives inclusive growth under PM @NarendraModi ji.

jnpaport JNPA organised a seminar on “Role, Responsibility, Posting, Transfer & Protection of Vigilance Officers and Handling of Complaints” at the JNPA Training Centre.

The session was inaugurated by our CVO Shri Manoj Kumar, IRS, and featured insights from Shri Rajeev Verma, Consultant & Former Director, CVC. The seminar witnessed participation from 53 officers representing 23 government organisations across sectors including ports, oil, banking, insurance, railways, fertilizers, exports, and nuclear power.

The session served as a valuable platform for knowledge exchange, strengthening awareness around vigilance practices and reinforcing the importance of transparency, accountability, and ethical governance across public sector institutions.
