Sub.: **Sale Notice** - Disposal of unclaimed/uncleared longstanding empty containers lying with Port's Custody

Sir/Madam,

- JNPA proposes to e auction 140 Empty containers detailed below and as per Annexure A, B & C as per section 28, 30 and 31 of MPA Act 2021. The shipping lines claiming Titles/affiliation willing to redeem any container paying the dues or having reasons why these containers cannot be sold in e auction by the port may intimate in writing to the Auction section or to Chief Manager(Traffic) within 2 weeks.
- The brief history of the containers is as below.
  - The list of 89 empty containers (Annex A) are lying inside the Port area. These 89 empty containers are corresponding to pre 2000 period. They don't have system details viz Shipping line, (Export/Import) details, arrival dates etc. because the Port's computer system was changed in the year 2000 and the data of previous years are not retrievable from the system.
  - List of 13 empty containers (Annex. B) are also lying inside the port. They have details like arrival date, shipping line details etc and corresponding to post 2000 period.
  - Further JNPA has 38 undelivered empty containers (Annex. C). These are lying with Port's custody in port's auction facilities at JNP CFS (Speedy CFS). These 38 containers have not been taken delivery by the shipping lines after the cargo has been de stuffed/sold off in auction sale. It is understood that the shipping lines have closed down their office/operations before the containers were freed. The containers have shipping line, auction date details.
  - The containers are in highly deteriorated condition as they are very old lying unclaimed for more than 20 years. Most of them are not worthy for transportation and may only have scrap value. These containers are simply occupying Port's space and Port's CFS space.
- Port wishes to dispose off these containers as scraped abandoned containers to recover the possible portion of the accrued dues/dwell time charges and to clear the space exercising the powers vested in **section 28, 30 and 31 of MPA Act 2021**. These unclaimed empty containers will be sold in open e auction through MSTC in as is where basis.

4. This auction is a special measure, only for the containers belonging to the closed down shipping lines, for containers without system details and for containers damaged/deteriorated beyond identification. Shipping lines cannot claim this process as a precedence to claim excuse from the SOR or to use this as a facility to leave any of their containers uncleared inside port's premises beyond free period.

Yours faithfully,
