JNPA recorded a remarkable growth of 12.73% in container traffic from April to August 2024 and total cargo increased by 6.20% during the same period. In August 2024, JNPA handled an impressive 639,336 TEUs, an all-time high monthly container traffic at the Port surpassing the previous highest handled in July 2024. This significant growth showcases JNPA's continued strength as a leading port in India.
