jnpaport JNPA salutes the real heroes in white coats this National Doctor's Day

On this special day, Jawaharlal Nehru Port Authority (JNPA) extends heartfelt gratitude to the dedicated doctors of JNPA Hospital for their unwavering service and compassion.

The 2025 theme, "Behind the Mask: Who Heals the Healers?", is a powerful reminder that while doctors tirelessly care for others, their own well-being deserves equal care and recognition.

Thank you for being the strength behind so many recoveries.

jnpaport

JNPA continues to chart remarkable growth in the first quarter of FY 2025-26!

JNPA handled 19,50,188 TEUs of containers from Apr-2025 to Jun-2025, which is higher by 15.52% as compared to the corresponding period in the previous financial year.

JNPA's steady momentum in container handling is driven by efficient terminal operations. As capacity utilisation improves and support services align with demand, the port is well-positioned to meet higher throughput in the coming months.

jnpaport JNPA is elated to announce that it has been honored with the Envirocare Green Awards 2025 under the Municipal/Government Organisation category, recognizing its valuable contribution to environmental protection and sustainable development.

This award is a testament to JNPA's continuous efforts toward creating a green and future-ready port ecosystem. Over the years, JNPA has initiated several forward-looking sustainability projects — including the implementation of shore power supply to reduce vessel emissions at berth, the development of a modern solid waste management plant, and the deployment of zero-emission electric trucks for cleaner cargo movement. The port has also taken steps to rejuvenate and restore local lakes and water bodies, enhancing biodiversity in the region further strengthen our journey toward a low-carbon and energy-efficient operational model.

These initiatives reflect JNPA's deep commitment to integrating sustainability into every aspect of port operations, setting benchmarks for ports across the nation.

jnpaport JNPA wrapped up an inspiring week filled with progress, collaboration, and achievements!

We were honored to receive the Envirocare Green Award 2025 under the Municipal/Government Organization category, recognizing our commitment to sustainability. In addition, JNPA's CISF Unit organized an insightful Drone-Anti-Drone session to strengthen security and innovation. We were also privileged to host esteemed NSG officials at JN Port, fostering knowledge sharing and collaboration.

At JNPA, we remain dedicated to driving meaningful change, embracing innovation, and building strong partnerships for a sustainable and progressive maritime future.

jnpaport JNPA was pleased to host students and faculty from Export Import Leadership (Gujarat), Skylighted Global Academy (Gujarat), Rising Exporter Academy (Nashik), and B2B Academy (Mumbai).

The visit included a guided tour of port operational areas, an overview of JNPA's ongoing projects, and an interactive knowledge-sharing session with our team. It offered the students valuable insights into port operations and the dynamics of the maritime and EXIM sectors.

At JNPA, we remain dedicated to empowering future maritime professionals by providing them with real-world exposure and industry knowledge.
