JNPA marks another milestone in its journey towards digital transformation with the launch of NIVESH, its AI-powered Treasury Management Model. Designed to streamline processes, reduce manual workload, and significantly enhance operational efficiency, NIVESH will enable faster and smarter treasury management.

The AI model was inaugurated by Shri Gaurav Dayal, IAS, Chairperson, JNPA, in the presence of Shri Ravish Kumar Singh, IRTS, Deputy Chairperson, JNPA, Shri Manoj Kumar, IRS, and Heads of Departments.

With NIVESH, JNPA continues to embrace innovation and leverage technology to build a smarter, more efficient, and future-ready port ecosystem.

JNPA- Jawaharlal Nehru Port Authority 4w • 1

A proud moment for JNPA, as NSDTPL successfully onboarded 4 female drivers on ETV at JNPA.

Aligned with JNPA's vision of inclusive growth and progressive workforce development, this initiative highlights the increasing role of women in the port sector —breaking barriers, driving change, and contributing significantly to seamless port operations.

Their presence not only strengthens diversity but also reflects JNPA's commitment to empowering women and creating equal opportunities in maritime and logistics. Here's to many more milestones as we continue to steer towards a more inclusive and dynamic future!

JNPA retains its No. 1 position as India's best-performing port and its improved its ranking to 22nd globally in the Container Port Performance Index (CPPI) 2025. What began as a commitment to improve every aspect of port operations has translated into global recognition.

This recognition is more than a ranking. It is a reflection of the trust placed in us by the trade community and a reminder that progress is a continuous pursuit. It is built through thousands of efficient vessel calls, faster turnaround times, smarter processes, stronger infrastructure, and the collective efforts of an entire port community.

We extend our heartfelt congratulations to every stakeholder who has been part of JNPA's growth journey.

The plantation was led by our Chairperson, Shri Gaurav Dayal, IAS, along with HoDs and Board Members, reaffirming our collective commitment towards a greener future. This meaningful initiative encourages planting and nurturing a tree in the name of our mother—symbolising care, strength, and life itself.

Through such efforts, JNPA continues to contribute towards combating global warming while fostering a deeper connection with nature and sustainability.

The event commenced with the felicitation of our Chairperson, Shri Gaurav Dayal, IAS, along with Board Members and HoDs, followed by an environmental pledge—transforming awareness into action by committing to sustainable practices such as reducing single-use plastics, conserving water, and planting trees.

We added a creative touch by staging a street play that delivered a powerful, engaging message on energy conservation and environmental responsibility. The celebrations concluded with the prize distribution for the Canvas Painting Workshop, encouraging artistic expression towards a greener future.

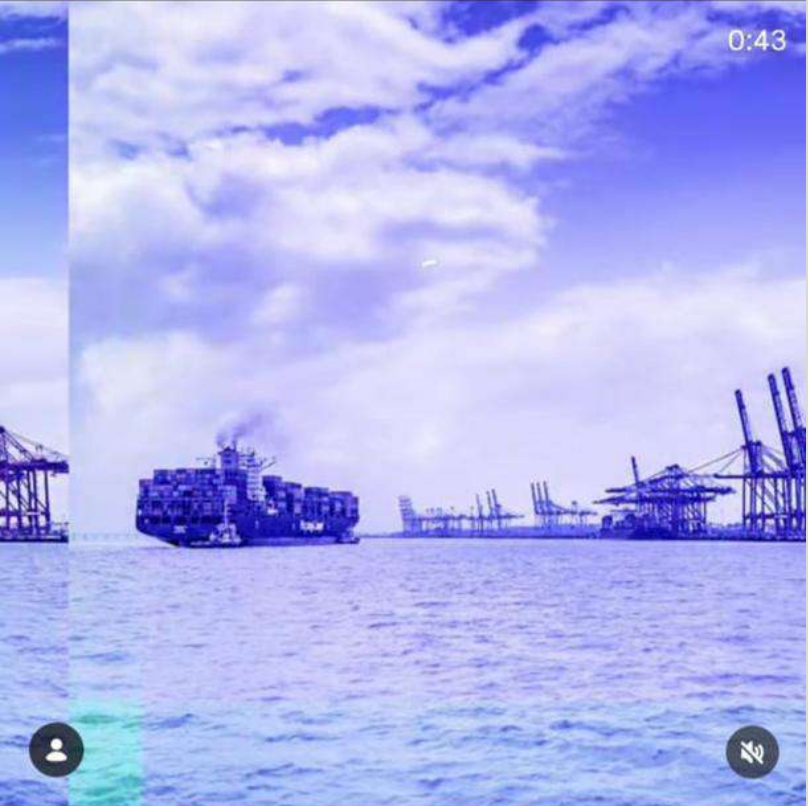

A day filled with purpose, participation, and a shared commitment to protect our environment. [less](#)

jnpaport A week of meaningful engagements and significant milestones at JNPA! We were honoured to host H.E. Mr. Min Aung Hlaing, President of the Republic of the Union of Myanmar, reaffirming our commitment to strengthening international partnerships and fostering greater collaboration. JNPA also conducted a productive meeting with the Container Freight Station Association of India to discuss key industry matters and welcomed the team from BMCTPL (PSA Mumbai) on World Environment Day.

Marking World Environment Day, JNPA HODs and employees came together to take the environmental pledge, participated in the 'Ek Ped Maa Ke Naam' tree plantation drive, and showcased their creativity through a vibrant Canvas Painting Workshop inspired by nature and climate action. Adding to the week's achievements, JNPA's NSDTPL successfully onboarded four female drivers on Electric Terminal Vehicles (ETVs), taking another progressive step towards inclusivity and women's empowerment in the port sector.
