Pushing boundaries at JNPA!

MSC Ivana berthed at JNPA's PSA Mumbai (BMCT) Terminal with a maximum draft of 16.35m — the highest ever draft vessel to call JNPort. This successful anchorage of the vessel was helmed by Capt. Sudanshu Shekhar.

This achievement marks a new milestone in our journey. Proud to keep deepening out strength in port operations and efficiency!

## Phase-2 of PSA terminal at JN Port inaugurated

**PRIME MINISTER NARENDRA** Modi, along with Singaporean Prime Minister Lawrence Wong, on Thursday virtually inaugurated the second phase of the PSA-operated Bharat Mumbai Container Terminal (BMCT) at the Jawaharlal Nehru Port in Mumbai.

Following this, the terminal's total container handling capacity would stand at 4.8 million TEUs from 2.4 million TEUs earlier. Jawaharlal Nehru Port Authority (JNPA) chairman Unmesh Sharad Wagh said the country's premier container port is looking at allowing Ro-Ro (roll on/roll off) service from its facility for efficient vehicle transportation. The port handles

five major dedicated container terminals operated by global market leaders with a deep draft of 15+ metres, with the capability of handling 18,000 TEU vessels.

The 100% renewable energy terminal, PSA Mumbai Terminal, is the first dedicated freight corridor-compliant container terminal port, with six rails and eight RMGs (rail mounted gantries) and efficiency in handling 18,000 TEUs. Over almost three decades, PSA has invested a total of \$2.3 billion in India, of which more than half is in BMCT.

JNPA handles 54% of the containerised cargo across all major ports of India. —PTI

jnpaport JN Port is delighted to share that JNPA and PSA Mumbai (a subsidiary of PSA International) have signed a supplementary agreement for the extension of the BMCT concession period.

The agreement, finalised through conciliation, was signed in the presence of Shri Unmesh Sharad Wagh, IRS, Chairperson, JNPA & CMD, VPPL, and Mr. Vincent Ng, Regional CEO – Euromed and MESA, along with officials from PSA India, PSA Mumbai, and JNPA. With this agreement in place, the way forward for the project is all clear for the journey of relentless progress.

This landmark step not only strengthens collaboration with a global partner but also sends a strong message about the success of Public-Private Partnerships (PPP) in India's port sector. With the largest FDI of USD 1.3 billion under the PPP model – also the highest investment from Singapore to date in India – the agreement boosts investor confidence, enhances the investment climate, and ensures unhindered progress of the project.

It further deepens India–Singapore bilateral relations, underscoring shared priorities in trade, connectivity, and stability in the Indo-Pacific.

jnpaport Another week of progress and collaborations at JNPA!

JNPA is proud to have handled 695,968 TEUs of containers, marking an impressive rise to 8.56 MMT, making it the highest monthly throughput. In collaboration with the Port of Antwerp-Bruges, we hosted a 5-day seminar on 'Dredging Technologies' at the JNPA-APEC Port Training Centre, fostering knowledge exchange and innovation. Additionally, we welcomed IFS official batches for engaging discussions on India's maritime future.

Adding to these milestones, MSC Ivana berthed at JNPA's PSA Mumbai (BMCT) Terminal with a record draft of 16.35m — the deepest ever at JNPort, marking a new benchmark in our capabilities.

Together, we continue to steer towards excellence, innovation, and growth in maritime development!

jnpaport We are proud to share that Jawaharlal Nehru Port Authority (JNPA) has secured the 23rd position worldwide and the top rank in India in the World Bank's Container Port Performance Index (CPPI) 2024. The port has further been recognised among the Top 20 global improvers for the period 2020–2024, underscoring its consistent growth and rising stature on the global maritime stage.

This recognition reflects not only the efficiency of JNPA's world-class terminal operators, who have enabled faster vessel turnaround, higher productivity per ship and crane, and smoother truck and rail movement, but also the port's focus on advancing Ease of Doing Business parameters- digitalisation, simplifying processes and infrastructure development.

We extend our sincere gratitude to our terminal operators and trade partners, whose sustained efforts, innovation, and collaborative spirit have been central to achieving this recognition and elevating JNPA's global standing.

Our Chairman, Shri Unmesh Sharad Wagh, IRS, and CMD, VPPL, congratulated JNPA HoDs and officials with a celebratory cake-cutting ceremony.

jnpaport In today's fast-paced life, taking care of our mental wellness is essential. 🌸✨

This Navratri, under #SwasthNariSashaktaParivaar, JNPA engaged with its women employees to share how they nurture their mental well-being. Smt. Manisha Jadhav, General Manager, Admin. & Secretary, and other women employees of JNPA shared their mental health practices

Their voices remind us that balance, strength, and self-care are at the heart of true empowerment. 💙 less
